CHAROTAR UNIVERSITY OF SCIENCE & TECHNOLOGY
DEVANG PATEL INSTITUTE OF ADVANCE TECHNOLOGY & RESEARCH
Department of Computer Science & Engineering

Subject Name: Web Development Framework
Semester: III
Subject Code: ITEU204
Academic year: 2025-26 [ODD]

Practical File

No.	Aim of the Practical
1.	Initiate the "Project Title" by defining scope, key pages (min. 10), and layout with HTML skeletons.

Football History

Origins of Football

Ancient Beginnings

Games similar to football were played in China (cuju), Greece, and Rome over 2000 years ago.

Medieval Football

Rough and chaotic forms of football were played in England during the Middle Ages, often between rival villages.

Rise of Modern Football

The FA & Rules (1863)

The Football Association (FA) was founded in England in 1863, establishing standardized rules and separating football from rugby.

Global Expansion

Football spread quickly across Europe and South America, becoming a global sport by the early 20th century.

World Cup & Beyond

First FIFA World Cup (1930)

Held in Uruguay, the first World Cup was won by the hosts. It became the most prestigious football tournament globally.

Women's Football

Despite early bans, women's football grew in popularity. The first FIFA Women's World Cup was held in 1991.

CONCLUSION:

In this project, we successfully initiated the Student Portal by clearly defining its scope, identifying key user roles (Admin and Student), and outlining core functionalities through at least ten essential pages. We analyzed user requirements and interactions to establish a logical and user-friendly navigation flow, ensuring seamless access between pages like Dashboard, Profile, Attendance, Results, Assignments, and more.
